

ERASE THE NEED. HOST A SUPPLY DRIVE.

150,000* students in Hillsborough County
Public Schools need your support.
Help put basic school supplies into the hands
of kids who need them most.

*150K Hillsborough County Public Schools students qualified
for free or reduced-price lunch, 2019-2020 school year.

While most kids eagerly begin the school year with a new backpack filled with school supplies, thousands of students in our community will not have the critical tools they need to succeed in school.

Your support is needed more than ever for many families in our community, given the financial hardships of recent years. When you host a school supply drive at your business or organization, it is a great way to make a difference by giving our most vulnerable students the essential supplies they need to engage in their learning and reach their fullest potential.

WAYS TO HELP:

Gather school supplies at your location:

You can drop off the collection at HEF or arrange for us to pick up the items.

Shop from our Amazon Wish List:

Supplies are delivered directly to our office.

Encourage your staff to make a cash donation on our website:

Note it is part of your company's supply drive.
