## Lifeline

Lifeline is a federal program dedicated to making phone and internet service more affordable for low-income households. This benefit provides eligible consumers with a monthly discount of up to \$9.25. Consumers living on Tribal lands are eligible for an enhanced discount of up to \$34.25 per month.

- USAC's Lifeline Support Center helps you apply for the program, understand eligibility requirements, and keep your benefit current through an annual recertification process.
- Lifeline consumers must apply for Lifeline and then sign up with a participating phone or internet company, recertify annually, and keep their information up to date.
- Phone or Internet company enrolls you in the Lifeline program, manages your service, and answers questions about your service, phone or device, or bill.

---

## Spectrum Internet Assist

Spectrum Internet Assist is a low-cost, high-speed broadband service that provides qualifying households with internet service for \$14.00 per month.

### QUALIFICATIONS

A member of your household must be a recipient of one of these assistance programs:

- National School Lunch Program (NSLP)
- Community Eligibility Provision (CEP) of the NSLP
- Supplemental Security Income (SSI all types)
