The Supporting and Empowering Educational and Developmental Services (SEEDS) Program teams up with the community, schools, and families. SEEDS works to support families with the educational, developmental, and social needs of children 3 years to 5th grade who live in Hillsborough County. The goal is to make sure children are ready for school and reading on grade level.

If you answered yes to at least one of the above questions, please apply to SEEDS by calling (813) 901-3439 or online: www.childrenshomenetwork/seeds Fax: (813) 882-3689
